ABOUT US

At CelestraOne, we deliver premium quality building materials, including natural stone, quartz, porcelain slabs, SPC flooring, LVT glue down flooring tailored for commercial, residential, hospitality, and institutional projects. We source only premium quality materials from trusted suppliers in India and Vietnam. Driven by a commitment to sustainability and client success, we combine industry expertise with a progressive approach to building materials. Our team values long-term relationships, offering tailored solutions, transparency, and support at every stage.

We don't just provide materials; we bring your vision to life with products that make a lasting impact.

VISION

"To be the leading global supplier of premium quality, sustainably sourced building materials, transforming spaces while contributing to a more eco-friendly and responsible construction industry."

MISSION

"To provide premium quality quartz, granite, and flooring materials to customers while ensuring sustainability and cost-efficiency."
