

AGATE NATURAL STONE CATALOG

2025

ABOUT US

At CelestraOne, we deliver premium building materials, including Natural Stone (Granite, Marble, Quartzite, Onyx, Agate including exotic ones), Quartz, Porcelain Slab, Marble Mosaic Tiles, SPC/ LVT Glue Down/ Laminate Flooring and many more, tailored for commercial, residential, hospitality, and institutional projects. We source only premium quality materials from trusted suppliers keeping the products offering consistent. Driven by a commitment to sustainability and client success, we combine industry expertise with a progressive approach to building materials. Our team values long-term relationships, offering tailored solutions, transparency, and support at every stage.

We don't just provide materials; we bring your vision to life with products that make a lasting impact.

VISION

"To be the leading global supplier of premium quality, sustainably sourced building materials, transforming spaces while contributing to a more eco-friendly and responsible construction industry."

MISSION

"To provide premium quality quartz, granite, and flooring materials to customers while ensuring sustainability and cost-efficiency."
